Professor, [REDACTED]

Writing Assignment

YOUR NAME: _____

Please do not use outside resources to answer this question.

Instructions: You will have 30 minutes to type your response using the computer provided. Please print one copy and make sure your name appears on the printed copy; do not save it on the computer unless otherwise instructed.

During the interview you'll be given time to explain your rationale to the committee related to this writing assignment. Please keep one copy of the writing assignment to take with you to the interview.

If you have any questions or need assistance, please return to the front desk for help.

Topic:

As a [REDACTED], explain how you would incorporate the available Internet training resources and your expertise in a laboratory course to prepare students for the competition.
