## **Accreditation Forum: Distance Learning and RSI**

**Friday, October 21, 3 - 4 pm**

Registration Link: [Accreditation Forum: Distance Learning and RSI](#)

The Accreditation Core Team invites the college to attend our October Friday Forum. Accreditation ensures colleges maintain high expectations for the quality, integrity, and effectiveness of distance learning/distance education (DL/DE) courses and programs. Participants who attend this workshop will be introduced to the newly approved Regular and Substantive Interactions (RSI) rubric and learn how RSI implementation is evaluated during the ACCJC Peer Review Process. Attendees will:

- Be aware of federal, state, and local alignment of RSI policies.
- Understand the elements of the RSI rubric and how DL course design facilitates ongoing communication with students.
- Be knowledgeable of Distance Learning/DE accreditation requirements and peer review processes
- Be familiar with resources and support opportunities for

implementation of RSI

*This accreditation forum is approved for 1-hour towards faculty SPOT Recertification.*

## Accreditation Forum: Numbers Tell the Story - Use Data for Student Success

**Friday, November 18, 3 - 4 pm**

Zoom: 927 5995 5791

Zoom Link: <https://mtsac-edu.zoom.us/j/92759955791>

Don't miss out! This forum will focus on communication of institutional data, access to data, and peer-to-peer discussions in leading a culture of data-informed teaching. Data coach coordinator, Tiffany Kuo, and the Director of RIE, Patty Quinones will share strategies for using data to support your student success.
