Value. • It's at Mt. SAC.

"We started our college education at Mt. SAC and got the best for less."

you *Can* Have It All!

If you value...

- a wide selection of academic and recreational majors
- a direct transfer path to top universities
- saving the most on general transferability chapter
- a great learning environment with small class sizes
- a liberal arts liberal arts for values, beliefs... across the road
- a diverse and vibrant campus where you can belong
- ... you can have it all for just \$100 a year!

Value. • It's at Mt. SAC.

"We're committed to giving our students as solid an undergrad education as any university can offer."

Instruction at its *Best!*

Top-rated faculty • small class sizes • a supportive environment • quality instruction.

Our team of 1,275 full and part-time faculty are experts in over 200 academic and vocational programs. Their intense dedication to students is the cornerstone of the direct entry into the workforce with immediate skills.

Value. • It's at Mt. SAC.

You Do the Math!

Why you should:

At Mt. SAC, you'll get the best value hands down! A full-time undergraduate student at Mt. SAC pays only \$100 per semester or just \$100 a year. Compare that to the average cost of \$1,000 a semester or \$2,000 a year at other colleges.

Working colleges at Mt. SAC can save you tons of thousands of dollars that others can't. You'll also enjoy the wide range of support services that help you succeed.

Value. • It's at Mt. SAC.

"The wide range of support services helps us succeed!"

We've got *Your* back!

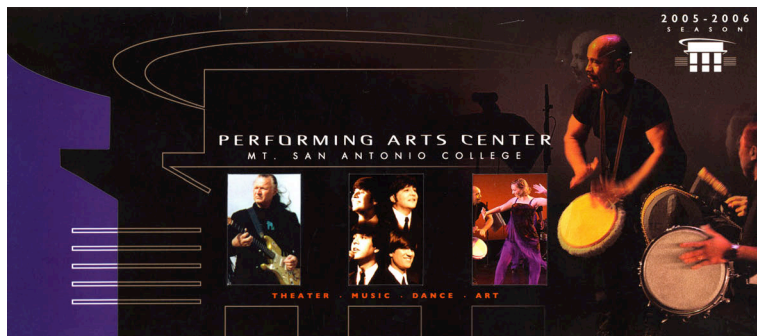

At Mt. SAC, you're more than just a number. We go all out for you to provide the academic, financial, and personal support you need to succeed. We don't just provide you with the support and resources that you need; we also provide you with the support and resources that you need to succeed. We don't just provide you with the support and resources that you need; we also provide you with the support and resources that you need to succeed.
