Please respond to John Nixon <JNixon@MtSAC.edu>
--

As I recently mentioned in my monthly letter to the campus community, the continuing success of Mt. SAC depends to a large degree on our physical capacity to meet the quantity and quality demands of future students and of the employers and universities for which we prepare them.

As you know, several vital projects originally identified for funding under the 2001 bond measure are now on hold due to escalating costs. Our objective remains to complete those projects and that requires new funds – probably from a second bond measure.

To encourage community collaboration as we plan for the future, we are establishing a speakers bureau to carry the message of Mt. SAC's achievements, goals, and needs. I invite you to attend one of two orientation meetings scheduled for next week so that you can learn more about how you may participate in the speakers bureau.

The meetings are as follows:

Thursday, April 17 at 2:30 p.m. in the Founders Hall Dining Room

Friday, April 18 at 8:00 a.m. in the Founders Hall Dining Room

Refreshments will be served.

Please RSVP to Jill Dolan, Manager of Community and Media Relations, at jdolan@mtsac.edu or ext. 6119.

Thank you.

John
