Dear President Scroggins:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting January 8-10, 2014, reviewed the Midterm Report submitted by Mt. San Antonio College. The report was certified by college leadership, including the chair of the governing board, the college president, and leaders of the faculty and staff organizations.

Based on the College's report and the documentation submitted, the College has met the Standards associated with Recommendations 1, 2, and 3, and has provided a summary of continued compliance with Eligibility Requirements, Accreditation Standards, and Commission policies and reported on the status of its self-identified improvement plans. The Commission commends the College for having made the necessary changes to meet the conditions of accreditations and maintain continual compliance.

Institutions are expected to meet Eligibility Requirements and Accreditation Standards at all times during the six-year cycle. It is expected that the changes and improvements noted in the Midterm Report will be sustained. This will be verified at the time of the next regularly scheduled visit. The Mt. San Antonio College will submit its Self Evaluation Report of Educational Quality and Institutional Effectiveness in preparation for the next comprehensive review in **fall 2016**.

The Midterm Report submitted in October 2013 will become part of the accreditation history of the College. The Commission requires that you give this letter appropriate dissemination to your College staff and to those who were signatories of your College Midterm Report. This group should include campus leadership and the Board of Trustees.

The Commission also requires that the Midterm Report and this Commission action letter be made available to students and the public by placing a copy on the College website. *Please note that in response to public interest in disclosure, the Commission now requires institutions to post accreditation information on a page no farther than one click from the institution's home page.*
