TO THE INSTRUCTOR:
The student named above is a participant in the Flight Training Association. It is important that we know his/her progress in your class. This will assist us in evaluating the student's education progress. We would appreciate the following information: grade-to-date, attendance, and additional comments you feel may assist us. If you have any questions, please call Linda Rogus, Department of Aeronautics x5007. Thank You.

TO THE STUDENT:
It is your responsibility to see that this form is completed by each of your instructors. Failure to turn in a progress report to the Flight Training Supervisor may jeopardize your Flight Training Association Membership. If you are a Flight Training Association student and you receive a grade that is below passing, you will be required to see the Flight Training supervisor and/or your Department Chair. Should your work-in-progress indicate any "D" or "F" grades, it is recommended that you consider taking the following steps:

1. Meet with your instructors to discuss steps to resolve and improve class performance*.
2. Meet with an aeronautics tutor.

*We recommend that you attempt to meet with your instructors during their scheduled office hours for completion of this form.

Students: FTA Regulations state you must be actively registered in credit classes to be eligible for membership. Please print out a copy of your current enrollment and attach to this form. This can be obtained by logging on to your account at mymtsac.edu and selecting the "Active Registration" link.
