

Mt. San Antonio College

Paralegal Cohort #2

Contract

As a member of the Paralegal Program's Cohort #5, I understand that one of the Cohort benefits is that "[s]tudents in good standing in the Cohort will receive a guaranteed seat in the remaining Cohort classes, upon successful completion of the prerequisite Cohort class." However, I also understand that *"The Cohort guarantee applies only to students who are taking all three A classes [PLGL 31A, PLGL 33A, and PLGL 35A] at the same time, and who take all three B classes [PLGL 31B, PLGL 33B, and PLGL 35B] the following spring semester."* (Emphasis added, Cohort Information Sheet).

Therefore, I understand and agree, that if I use an add code to add a Cohort class, but I do not enroll in at all three of the Cohort classes (PLGL 31A, PLGL 33A, and PLGL 35A in the fall; PLGL 31B, PLGL 33B, and PLGL 35B in the spring), that I will be dropped from the Cohort class(es) for which I received the add code. I will then have to wait to go through the regular add process for the class(es).

Further, I understand that my acceptance into the Cohort is predicated on my having met all of the following requirements and that I have met them:

- I am currently enrolled in PLGL 30 (Introduction to Paralegal),
- I have declared my major as Paralegal,
- To the best of my knowledge I am available to take the Cohort classes during fall and spring semesters,
- I have an overall Mt. SAC gpa of at least 2.0 and am in good academic standing,
- I have met with a counselor or educational advisor and completed an educational plan with an A.S. in Paralegal as the goal, and
- I am completing and submitting the Cohort application, agreeing to all of its terms.

I understand that I will be dropped from the Cohort if I do not earn at least a C in any of my Cohort classes, or if I fail to meet any of the Cohort's or the College's standards.

Finally, I understand that the goal of the Paralegal Cohort Program is to increase my likelihood of successfully completing the Mt. San Antonio College Paralegal Program with an A.S. in Paralegal/Legal Assistant. I commit myself to this goal as well, agreeing to apply myself to the very best of my ability in my Cohort classes, in order to meet my goal. I take this commitment very seriously.
