CAPOEIRA EVENT + EXHIBIT

Mt. SAC Library celebrates Black History Month through the power, resistance, and liberation of Capoeira. Join some of the LA capoeira community for a live music and movement demonstration on February 22, 2022, at 12pm (2.22.22), on the North Grass by the Mt. SAC Library (building 6).

After the demo enjoy a series of mini talks about the healing art of Capoeira and related topics with Engineering Prof. Eugene Mahmoud, local Capoeira teacher and scholar Charles Williams, Umoja Aspire Program Director Clarence Banks, Ethic Studies Prof. Dr. Mica Stewart, Biology Prof. Naluce Ito Rocha Santana, and Prof. & Librarian Eva Rios-Alvarado.

Learn how you can practice Capoeira on and off campus. Continue your Capoeira experience by visiting our library exhibit: "Capoeira: Angola, Brazil, to LA," an exhibit about Black liberation, resistance and art. The exhibit will be up from mid-February until June 2022.
