- Educational events and programs
- Learning communities
- Aspire Club

Aspire is a student success program designed to enrich the experience of African-American students at Mt. SAC through counseling, instruction, mentoring, and community building. Aspire’s primary focus is to equip you with the resources to boost your academic performance and help you reach your goals at Mt. SAC, whether that’s graduating with an associate degree or transferring to a university to earn your bachelor’s. Aspire students perform better, because they learn how to get the most from their college experience. They have caring mentors who encourage and motivate them to achieve their personal potential. Aspire students bond together as a “community” by sharing experiences and participating in college tours, success workshops, tutoring, and lots of fun campus activities.

**Program Benefits:**
- Personalized support and guidance from faculty, counselors and staff
- A sense of community and peer support network
- Support services and campus resources to boost your performance
- Monthly workshops where you will learn skills to succeed in college
- Events, trips and activities to enhance your educational experience
- Accountability from a group of supporters invested in your success
