Interested in attending a Bridge Information Session? Please follow these steps:

1. A Mt. SAC student **MUST attend a** Bridge Information Session to be considered for enrollment into any of the Bridge Program learning communities. This session is an opportunity for students to find out about the Bridge Program and whether our learning communities will be a good fit academically for you. (For any links above that are noted as OPEN REGISTRATION, attending an Information Session is not required.)
2. Please contact us at (909)274-5392 or visit us at the Student Success Center, Building 9E (2nd Floor), to **reserve your space** at one of our Information Sessions. **Space is limited and availability is not guaranteed!**
3. Please be prepared and have knowledge of your Mt. SAC student I.D. number and what courses you are eligible for.
4. Limited seating is available in every session. Attendance at an Information Session **does not guarantee enrollment** into the Bridge Program classes. Availability of spaces in the Bridge Program learning communities are subject to change and are based on several factors such as, but not limited to: student's placement test results, open spaces in our classes, and/or courses already taken either at Mt. SAC or another college.

To request reasonable disability related accommodations please contact Esther Hernandez at ehernandeznunez@mtsac.edu at least 5 business days in advance of the event.
