### **CalWORKS Mandated Reporting Notice**

Under the laws of the State of California, the Mt. San Antonio College CalWORKS Program and its staff are required to report information to police and/or various government social service agencies and/or intended victims in the following situations:

- Reports of abuse and/or neglect of children, elderly persons, or dependent adults.
- Threats of violence toward specific individuals.
- Threats of suicide.
- Welfare fraud committed by or on behalf of a CalWORKS student and/or dependent children.

If you make statements to Mt. San Antonio College CalWORKS Program staff concerning any of these categories, we will exercise our professional judgment to determine where reports will be made. If you have any questions about these reporting requirements, please raise them.

I have read and understand the information listed above. This copy is for your records.
