

# Use the Mountie Career Hub to Answer Career Questions

[www.mtsac.edu/careerhub](http://www.mtsac.edu/careerhub)

## Learning About Yourself

1

Learn more about your skills, personality, interests, and values to find a job that is a good fit for you.

## Explore Career Options

2

Learn about possible Careers, what they do, how much they make, how many jobs are available etc.

## Review Educational Options

3

When you know what career you want, learn about the educational path to reach your goal.

## Employability Skills & Workshops

4

Succeed at work by gaining skills that employers are looking for.

## Market Yourself

5

Prove to the employer that you can do the job by communicating your skills and positive attributes in your resume, cover letter, and interview.

## Find a Job or Internship

6

Get help finding and securing a job or internship in your field so you can get work experience while you are a student.
