

Child Development Department Course Offerings & Prerequisites

Each academic year, courses are *typically* offered during the semesters/session listed below. Course offering may vary according to current student enrollment patterns.

Prerequisites: Each prerequisite course includes specific course topics, subject matter, and specialized assignments which prepare students for success in subsequent classes. Prerequisites must be completed and a grade posted before you enroll in a course requiring prerequisite. Please plan accordingly, for example, the CHLD 5 and CHLD 11 prerequisites must be completed to prepare students for the academic rigor required for success in CHLD 66 and CHLD 66L.
