Dear Mrs. Burns:

The Western Association of Schools and Colleges is pleased to announce the action taken by the Accrediting Commission for Schools granting Mt. San Antonio College Continuing Education a six-year term of accreditation with a midterm review, expiring on June 30, 2018.

This action was taken after a careful study of the Visiting Committee Report which noted many laudable aspects of the school. The Commission is confident that your continuing efforts to focus on school improvement will be reinforced by prompt attention to the critical areas for follow-up integrated into the action plan.

The midterm review consists of a written report from the school outlining progress made in implementing the schoolwide action plan and a one-day visit by a two-member team. This review must be completed by the end of the third year of the six-year term.

Please accept our congratulations on the quality of instruction being offered in your school. An appropriate certificate of accreditation will be forwarded to you in the near future.

Very truly yours,

Harlan E. Lyso
Commission Chairperson
