Please, try to wear clothing with your Alma Mater's insignia.</p>	Tom left to attend another meeting.
4.0	Chair's Report	Wanda was asked to sign paperwork approving Counselor positions for International, Veterans and CalWorks. Wanda responded that she would wait until she was able to discuss the request and process with Counseling Faculty.	After some discussion, the general consensus was that although the Counseling Department members would like new counseling faculty to be part of this Department, hired under the Faculty Association guidelines, it's out of our hands. Under categorical funds, a non-academic manager can hire a counselor.
5.0	Academic Senate Report	Lina: She will send all the information via e-mail, take note of new courses approved and new legislation allowing dogs and small horses for certain disabled students.	Please, review the information from Senate and get back to her if you have any input.
6.0	Faculty Association Report	No report	
7.0	SPA&S Report	<p>Alina: Student Success Plan was ready to be voted on in Senate!</p> <p>Discussion: Objections were voiced regarding statements in the plan regarding the role of paraprofessionals that were not congruent with counselors' views.</p>	Vicky suggested the possibility of having amendments made before senators vote.
