

DEISA+ Meeting 03/13/2026

I may have missed some groups or people! Please feel free to add in the ones I missed

Key Decisions

- May 6 event
 - Name: DEISA+ Community Circle Event
 - Location: Summit Center (capacity 220):
 - Summit III, IV, and V meeting room
 - We will have access to the South Pre-function space (the smaller pre-function area at the east end of Summit). The Research Showcase and Competition will be taking place in the West Pre-function and Balcony. We need to communicate this to our guests to minimize interruptions to student presentations.
 - The summit is booked for us from 11 a.m.-5 p.m. We are thinking of a lunch meeting, so we will provide lunch and then proceed with the keynote, etc. Thinking 2 hours for the event, not including lunch time.
- **POD can contribute \$2,000 for lunch**

Agreed to make the event an employee convening focused on campus DEISA+ work and equity alignment with Mt. SAC 2035.

- Invite approach — leaders/chairs and full committees: The group agreed to invite relevant committees and councils (chairs and full committees where possible), with a plan to prioritize chairs/leadership if space is limited.
- Dr. Buul as keynote speaker. **Kelly to reach out to Dr. Buul.** The backup option is Dr. Angel Gonzalez from Fresno State (Maybe we can have them for the November 3rd event)
- Goal: begin developing a DEISA+ campus-wide philosophy aligned with Mt. SAC 2035 (goal #3).
 - Goal #3: Develop a DEISA+ campus wide philosophy built on Mt. SAC's mission, vision, and core values as well as the college's strategic priorities listed in Mt. SAC 2035.
- Consensus to use RSVP/Smartsheet to manage attendance
- Suggested kickoff with Dr. Garcia, Dr. Buul, Dr. Fowler, and DEISA+ co-chairs to set 'why' and align to Mt. SAC 2035(goal #3)

Program ideas and engagement

- Suggested format: Lunch, kickoff (speakers), then small-group/table discussions to begin building a campus DEISA+ philosophy; aim for ~2-hour main session.
- Interactive elements considered: artifact table/altar where participants bring items representing their culture, talking pieces, and table-based discussions.
- Theme discussion: tentative to keep it simple (DEISA/Equity Convening) due to time and budget constraints; future events could be more elaborate.

Budget and catering

- Funding is limited; suggested using remaining POD (\$2,000)/equity/Guided Pathways funds for light lunch/catering.

Action Items

- **Kelly Fowler:** Reach out to Dr. Buhl to request keynote/facilitation and copy Eva and Kare'l on correspondence
- **Sylvia Ruano:** Confirm funding available (GPS?)
- **Ashley Lanuza:** Send meeting notes to Kelly (so she can send out an email to the committee)
- **Tami Pearson:** Share contact information for potential backup facilitator (Dr. Angel Gonzalez)
- **TBA:**
 - create Smartsheet/registration (QR code) for RSVPs,
 - compile invite list
 - Develop draft scope/structure for the May 6 convening and list of target committees/representatives to invite; consider starting with chairs and tally expected attendees by group
 - Provide the Summit setup details and identify whether roundtables are feasible at the confirmed capacity (Lisa)
 - Our event will use the existing setup from a previous event which consists of round tables for approximately 220 guests.
