#### Notes

- 1. Upper division transfer students (60 70 semester baccalaureate units), will need to have at least 30 semester units of general education. Within those 30 units, Area A (9) semester units and Mathematics (3) semester units must be completed with grades of "C" or better.
- CSULA transfer students are advised to complete ENGL 1C or ENGL 1CH as part of the Area A requirements. CSULA requires completion of ENGL 102 (ENGL 1C or 1CH) as a prerequisite to UNIV 400 (Writing Proficiency Examination).
- Courses on this list have been approved by the CSU Office of the Chancellor for Fall 2011 and beyond. If a course was completed prior to approval, it cannot be certified for CSU General Education-Breadth requirements.
- Some majors at CSU do not allow double counting of major preparation courses and general education requirements. Students are advised
  to consult with a counselor or advisor to determine if courses can be double counted.
- 5. Some majors require specific general education courses. Students planning to transfer are advised to plan their schedules carefully in order to maintain progress.

<sup>\*</sup>Courses may not be double counted to satisfy more than one area, even if a course is listed in more than one area.

## Mt. San Antonio College INTERSEGMENTAL GENERAL EDUCATION TRANSFER **CURRICULUM (IGETC) 2011-12**

Completion of the IGETC will permit a student to transfer from Mt. SAC to a campus in either the University of California (UC) system or California State University (CSU) without the need, after transfer, to take additional lower-division general education courses to satisfy university general education requirements. It should be noted that completion of the IGETC is not an admission requirement for transfer to UC or CSU, nor is it the only way to fulfill the lower-division general education requirements of UC or CSU prior to transfer. Students pursuing majors that require extensive lower-division preparation may not find the IGETC option to be advantageous (i.e. Engineering, Sciences).

The requirements listed below must be completed in their entirety for full certification to the UC and CSU. For students who have completed coursework at multiple campuses, the campus of last attendance prior to transfer to UC or CSU will certify the coursework, Mt. SAC will certify coursework from other campuses according to the IGETC list of the originating campus. Students with Advanced Placement exams that are listed on the advanced placement table list in the 2011-2012 Catalog obtain credit for IGETC. A minimum grade of "C" is required in each course. (A grade of "C-" is not acceptable.)
