

The image is a collage of three photographs of a modern university campus. The top-left photo shows a multi-story building with large glass windows and a brick accent band. The top-right photo shows an outdoor courtyard with a modern staircase and a large, open-air structure with a slatted roof. The bottom photo is a close-up of a building corner with a light-colored, horizontally-slatted facade and a large window with vertical louvers. A diagonal banner across the left side contains the title text.

CAMPUS DIRECTORY 2016

About This Campus Directory

This 2016 Mt. SAC Campus Directory contains vital contact information about campus services, departments and full-time employees. Please note that there are five basic sections: (1) Employees by Last Name & Photo, (2) Employees by First Name, (3) Division Listings, (4) Departments and Services, and (5) Campus Map. Great efforts have been made to provide accurate contact information. Please direct corrections and updates to Greg MacDonald in the Office of Marketing & Communication via e-mail: gmacdonald@mtsac.edu. The updates will be posted on the online version of this Campus Directory.

COVER PHOTOS: Featured on the cover are two newly opened facilities funded under the college's \$353-million Measure RR bond. A three-story building with 22,800 square feet for classrooms, study labs, offices and labs, the Student Success Center will house the DSPS High Tech Center and classrooms, the Veterans Resource Center, the Bridge Program, TRiO Student Support Services and an additional Student Health Center. The Mountie Café replaced the Campus Café. The new 13,500-square-foot facility will seat about 90 people for interior dining and more than 200 people for outside dining.
