Additional Program Information

Do you have questions about a class?

All faculty members teach their classes slightly differently based on their knowledge, expertise, and teaching philosophy. It is the policy of Mt. San Antonio College to maintain and encourage freedom for its faculty, within the law, of inquiry, teaching and research, and the pursuit of knowledge.

If you have questions about a specific class, we encourage you to email the faculty member. Email addresses are listed in the schedule of classes. Please include the class number (CRN) of the class you have a question about in your email to the faculty member. This will allow them to best answer your questions.

Course Modality

Course Modality refers to how an instructor delivers their course. Some of our courses are synchronous, and some are asynchronous.

Face-to-Face Learning takes place at a physical location at specific days/times.

Synchronous Learning is online learning that happens in real time. This means that you, your classmates, and your instructor interact in a Zoom call through Canvas at a specific time.

Asynchronous Learning is online learning that happens both in real time and on your schedule. All asynchronous classes have a weekly live Zoom call. In addition to the Zoom call, you are responsible for doing some work independently. You will be required to read, watch videos, participate in online discussion forums, or complete assignments outside of the scheduled Zoom time. You have the ability to access and satisfy these requirements within a flexible time frame.

Counseling

Contact a Counselor: Our Vocational Re-Entry (VRE) and Adults with Disabilities (AWD/IMPACT) counselors provide career, academic, and personal guidance. If you are in need of support, they can connect you with applicable campus and community services. They are here to help you achieve your goals!

If you are in need of counseling, please contact us at 909-274-4192 to schedule an appointment.
