

Update # 5

April 16th, 2020

Dear EOPS students,

I wanted to provide you with a few updates and also share some information in case you missed my original e-mails.

Spring 2020 Requirements:

- You will only need to schedule **two Counseling Contacts** (instead of three) for this Spring 2020 semester. See information below for details.
 - **If you have already completed ONE Counseling Contact** (by meeting with an EOPS Counselor in person), then you will just need to *make one more Counseling Contact*.
 - **If you have NOT completed one Counseling Contact**, then you will have to schedule TWO Counseling Contacts (each via a phone appointment) by June 17, 2020 (three days after the end of Spring 2020).
- IMPORTANT NOTE: You will **NOT** be REQUIRED to submit a **Progress Report** to the EOPS Program this Spring 2020 semester.

Scheduling a Counseling Contact Appointment

- Call the temporary EOPS Hotline: **(909) 265-3201**
- Visit our webpage <https://www.mtsac.edu/eops/> and click on “Access an EOPS Counselor” (Please keep in mind that the link may NOT work on your phone.)

EOPS Grant:

If you meet the criteria below you will see a \$100 grant post in your account on April 23rd. It should be in your bank account (those with direct deposit) on April 30th or May 1st.

- Must be a current active EOPS student
- Enrolled in at least 3 units
- Have unmet need that meets or exceeds \$100 (for about 90% of you this won't be an issue)
- Have submitted all required documents to the financial aid office (90% of you have done this – those that didn't should have received an e-mail from me in February asking you to follow up with the financial aid office.)

It is important that you stay active as we may release another grant at the end of May/start of June.

Tutoring:

- We are now offering remote tutoring!!! For more information about tutoring and to register for EOPS Tutoring visit: <https://www.mtsac.edu/eops/tutoring/index.html>.

- If you have questions regarding tutoring please call Huu at (909) 345 – 0460.
- Various other departments are also offering remote tutoring so please connect with Huu if you would like him to refer you to other resources for classes that we don't offer tutoring for.
- If you are in Stats you can sign up for tutoring through AIME. Here is the link www.aimeforsuccess.com to sign up.

Best,

Julie Marquez
Director, EOPS/CARE
