

Hello EOPS/CARE students,

I hope you all are settling into the semester. As the semester continues please let us know if there is anything specific we can do to better support you.

Financial Aid Q & A: The financial aid office will be making themselves available **every Thursday from 1 pm to 2:20 pm** to answer your questions. If you have 5 minutes to spare and have a question feel free to pop in. 😊 (See flyer for the link.)

EOPS Online Events/Workshops: We are offering 4 workshops in the month of September. (See flyer for details.) The first one is **EOPS Fall Updates** and it is taking place on **Tuesday, September 8th from 2:30 pm – 3:30 pm**. I will be sharing updates and showing you all how to book appointments, tutoring and answering any other questions you may have. This will also be a good opportunity to meet some of the EOPS Team members and other EOPS students. 😊

Instagram: We have an account and are going to be posting updates weekly. Follow us: [mtsac_eops_care](#)

Counseling Apts. You are required to complete **THREE (3)** Counseling Contacts during the Fall 2020 semester. Apts. between July 1st and December all count. There are two options to meet with an EOPS/CARE Counselor:
