

A decorative border surrounds the central text, featuring various colorful leaves and patterns. The leaves are in shades of pink, teal, yellow, and orange, with some having yellow or white spots or stripes. There are also black silhouettes of branches with small leaves or berries. The background is a light cream color with a large white circle in the center.

CARE

Mt. San Antonio College

SPRING 2024

The Cooperative Agencies Resources for Education (CARE) Program is designed to support EOPS students who are single parents, head of household, and who are receiving public assistance through CalWORKs/TANF/CashAid for themselves and/or their children. The goal of the CARE Program is to help CARE students achieve their academic and personal success.
