

ACADEMIC SENATE OUTSTANDING AWARDS

Dear Colleagues,

The Academic Senate is now accepting nominations to honor some of Mt. SAC's finest. Creating a nomination packet is a meaningful recognition for a colleague you deeply respect and admire. We encourage you to share the outstanding attributes of this special person with the entire Mt. SAC community.

Please read the guidelines carefully. **Nominations must be made by part-time or full-time faculty members.** Those who have won in the same category during the past five years are not eligible. A list of previous winners is available at the Academic Senate website under "Resources" and then the "Senate Awards" drop down list.

It is the responsibility of the nominator to request recommendation letters and to assemble a packet. The committee will review all materials provided, but the following items must be included at a minimum:

Award recipients will be selected by the Senate Events Planning Committee based on a complete packet and strength of the nomination. They will then be approved by the Academic Senate Executive Board. A member of the Executive Board may not nominate another member of the Executive Board. The Outstanding Faculty, Outstanding Classified, and the Outstanding Administrator will receive personal parking places for the following calendar year. Nominees who are not selected remain active nominees for the following academic year (if still eligible), and nominators may update their packets, if desired. If you have any questions, please contact the Academic Senate office at X5434 or lsoto@mtsac.edu.

Thank you,

Lina Soto, Academic Senate Vice President

All nomination packets must be completed and returned to the Academic Senate Office (4 2465) or emailed to lsoto@mtsac.edu by May 25, 2018.
