

PROFESSIONAL DEVELOPMENT COUNCIL

(Governance Committee – Reports to President’s Advisory Council)

Purpose

The Professional Development Council provides vision and direction for classified, faculty, and management, professional development to increase student success, improve institutional effectiveness, and enhance employee professional growth.

Function

1. Maintain the guidelines and procedures for Professional and Organizational Development Conference & Travel funding and to make determinations about employee conference and travel support through these funds.
2. Track professional development taking place across the campus toward the achievement of the College’s Strategic Plan.
3. Make recommendations for professional development at the College, including reporting on campus-wide professional development to President’s Advisory Council.
4. Review assessments for the professional development needs of the College, connect these needs to College strategic goals and initiatives, and maintain a current College Professional Development Plan.
5. Evaluate the achievement of professional development goals as articulated in the Mt. SAC Professional Development Plan, and recommend changes.
6. Provide synthesized reporting on Professional Development activities to appropriate campus governance groups.
