The following courses were denied CSU General Education inclusion:

Course Prefix	Course Title	Proposed CSU GE Area	Reviewer Comment
ARTD 48A	Letterpress Book Arts	C1 Arts	This is a studio arts course and there needs to be more support in the course outline showing that "students make connections between the arts and cultural and social issues." The course objectives and course content aren't backing up the course description. Need to see more in the outline about the cultural traditions mentioned in the course description.
