Subject: Outcomes for Courses Due 2018

Hi Kristina & Irene,

As the new Outcomes Coordinator, I need your guidance to complete this process of checking SLOs. Peter Gend, Annel, and I are playing catch-up so we are going over the list of courses from 2018 and checking for SLOs. These courses have no SLOs:

Course	Date Approved	Eff Start Date	Eff End Date
ANIM 117	6/5/2018	6/23/2014	6/17/2018
ANIM 149	6/5/2018	6/23/2014	6/17/2018
AD 14	4/24/2018	6/23/2014	6/17/2018
EMT 95	4/22/2014	6/23/2014	
EST 50	10/10/2017	6/23/2014	6/17/2018
EST 52	10/10/2017	6/23/2014	6/17/2018
EST 54	10/10/2017	6/23/2014	6/17/2018
EST 56	10/10/2017	6/23/2014	6/17/2018
EST 62	10/10/2017	6/23/2014	6/17/2018
RAD 1B	11/1/2013	6/23/2014	6/17/2018
CSP 62	6/5/2018	6/23/2014	6/17/2018
CSP 62L	6/5/2018	6/23/2014	6/17/2018
JAPN 53	2/25/2014	6/23/2014	6/17/2018
CSCI 170	6/5/2018	6/23/2014	

NuVentive has nothing for these courses. What is the next step?

We also found a handful of courses that last reported SLOs in 2013 and 2014. Should I send you this list as well? Once again, what is the next step?

We are going over 2019 and 2020 lists soon. Thanks, stay safe and sane! Have a good weekend.

Kim-Leiloni (aka Loni) Nguyen, MD, MPH
