Meeting Agenda	Outcomes
I. Welcome and Land Acknowledgement	At this time, we would like to take a moment to honor, acknowledge, reflect, express our sincere gratitude for, and appreciation of, the people, ancestors, and sacred land that we gather upon today. We want to honor the ancestral homelands and traditional territories of Indigenous peoples who have been here since time immemorial; and to recognize that we must build solidarity, and kinship, with Native Indigenous communities. As all our liberations are tied together, we also recognize a duty to give honor through our work and continue to stand up for racial and social justice every day.
II. Agenda Review	Approved as submitted.
III. Approve Minutes a. April 12, 2022	Minutes from April 12 were approved with the following changes: <ul style="list-style-type: none"> • <i>S. Mestas</i> stated that how-to-guides generate questions and answers that force us to <u>investigate</u> our own policies and practices. Change the word “investigate” to “interrogate.” • <i>Stacie</i> will double check to ensure that everything is working properly. Change to “Stacie” to “<u>S. Nakamatsu</u>.”
IV. Announcements <ul style="list-style-type: none"> • Student Representative (Emily Rivera) 	<ul style="list-style-type: none"> • Sara introduced Emily Rivera our new student representative. Emily is a first-year college student majoring in Psychology. • Roundtable introduction of the Committee.
V. Noncredit Update – Michael Ngo	<ul style="list-style-type: none"> • Informational handout distributed along with an update on the School of Continuing Education. • Student count is close to where it was pre-pandemic.

- Prior to the pandemic, SCE did not offer online courses.
- Currently 50% of courses being are offered online and 50% are being offered in person.
- M. Ngo thanked L. Velasquez and L. Cheng for keeping him updated on programs that are active or inactive. This helps with keeping the GPS [website](#) updated.
- An overview of the Vocational Studies GPS website was provided.
- A. Bachor explained the difference between STEP (Summer Transition Enrichment Program) and the Map workshop.
 - STEP is an actual class. It's a Counseling 1 – intro to college class and is taught year-round and is a 2-week class during the summer.
 - This program was designed for first-time college students to help students prepare for success.
 - Teaming up with AIME (Academic Intervention for Math & English) this summer to promote their prep courses for math and English. Curriculum wise anything under English 1A and Math 100 will be discontinued.
 - MAP is a workshop that assists new students in planning their next semester.
- M. Sampat asked how do we make these pages (i.e., GPS, maps) and resources accessible to students?
 - How do we get the information to students?
 - S. Mestas stated that the GPS map is customized as much as possible.
 - Under AB705 students must take English and Math in their first year which is integrated into Promise Plus
- J. Christ asked if there is any way to have a self-service for the students who don't have time to attend the workshop.
 - A canvas module was considered and making it available to students after which, they would need to see a counselor.
 - Unfortunately, if it occurred that way, there is no incentive for students to attend the workshop. There are still certain requirements must be met to register.
- S. Mestas discussed how orientation has been revamped and is now completely online. The

	<p>purchase of a new program that has allowed for instant changes. Please go through it when you have a moment.</p>
