Discussion		Course Proposal Justification	Form	n	Michelle stated that our cother colleges. She wants size of EDC by having 2 recommend one represer and report to EDC.  There was a concern about when this proposal gets in the consistently attending the consistently attending the this proposal would allow and/or other divisions. Trand/or programs get the deffort at every level.  This proposal will be medified to fit our needs. course is submitted. The intention is to turn thi provide complete informatory process. Additionally, factories, and beans will be able to Michelle is asking the mesemester and consider its This form will be kept of	about both representatives of the divisions a meeting.  Deans to know that there is dialog among faculty ansparency is an important factor before courses Curriculum Office. This is to achieve collaborative oved forward to C&I for approval  ad after Modesto City College's form and has been It asks questions that faculty must answer before a is form into a coversheet with the goal that it will attion before, during, and after curriculum approval culty fill out multiple supplemental forms which will be ept for class size form. This form is also intended to (documentation, rationale, supplemental forms, etc.) uded in the form which faculty, department Chairs,
