	Mammography Certificate	6/1/2015	x			There was a concern about number 9 under Required Skills and Physical Abilities. The statement might be interpreted as discriminatory. Also number 6 under Admission Requirements should only specify title of person; name should be deleted. Clarification of number 7 about mandatory orientation meeting. Members requested working environment clarification language. It was requested to make catalog description more student friendly. Michelle will communicate to clarify these issues. HOLD
