

PIE Planning & Resources Where We Are Now

1. Where We Are Now – View Reporting Year

Summary of Previous Years will Display

The screenshot shows a web application interface for reporting. At the top, there is a header with a dropdown menu set to 'Sample of Quality PIE (Demo)', a notification bell with a red '0', and a user profile 'Welcome, psuarez7'. Below the header, a breadcrumb trail reads 'Sample of Quality PIE (Demo) > PIE Planning Unit > 2. Where We Are Now: Year at a Glance'. A purple banner contains the text: 'Please enter information for your Unit here. Text boxes are provided to allow for documentation of conditions and trends that are informing your planning. Additional information is where you can add Notable Achievements for your area by College themes.' On the left, a sidebar menu includes 'Home', 'PIE Planning Unit', 'PIE Reporting' (selected), '2. Where We Are Now: Year at a Glance' (active), '3. Where We Are Going: Unit Goals and Resources', '1. Where We Make an Impact: Closing the Loop on Goals and Resources', 'Mapping', 'Reports', and 'Documents'. The main content area is titled 'Narrative Reporting Year' and features a list of reporting years: '2018-19', '2016-17', and '2017-18'. Each year entry has icons for edit, copy, and delete. Annotations with yellow arrows point to these elements: 'Summary of Previous Years will Display' points to the sidebar menu; 'Create' points to a green plus icon; 'Edit', 'Copy', and 'Delete' point to the respective icons for the '2018-19' entry.

Narrative Reporting Year

2018-19

Contact Person: PIE User
Email/Extension: pieuser@mtsac.edu
Summary of Notable Achievements:
Program Planning (Equity, Retention and Success):
External and Internal Conditions Analysis:
Critical Decisions Made by Unit: 1. Expand Sample Programs into high school program.
2. Refine/revise Sample industry sector buckets as local economy demands.
3. Provide hands-on work experience for students. For example, work with Sample so physical therapy aide students can experience working with older adults.
4. Shorten the length of Sample classes/programs so students have a quicker response to job demands.
5. Identify courses for students who need to immediately register for a course until the next Sample program begins. Explore possibility of open entry/exit course.
6. Find ways to help students with financial aid for Sample students.
7. Find ways to help students with financial aid for Sample students.
