| Review of May Memory | The May memory was approved. | The memory will be posted to the ITAC website . |
| MFA Rollout Plan | Chris Schroeder and Jonathan Singh provided an update on the MFA Rollout Plan. Jonathan shared that he recently presented to the Faculty Professional Development Council (FPDC) and plans to submit a Flex Day presentation proposal focused on MFA. Dalia indicated that the presentation to FPDC was well received. Over the summer, IT will prioritize MFA implementation for managers and classified staff, while continuing to share information with faculty in preparation for broader rollout in the fall. | Please contact Jonathan Singh with any questions. |
| Goals Update Report for 2025-26 | The Committee reviewed a draft of column 3 of the Goals Update Report. Committee members will continue to review it and send updates by Wednesday afternoon. | The report will be submitted to the President's Office on June 4. |
| Academic Technology Update | Michael gave an update on the Academic Technology Team. They are continuing to prepare for summer classes. They are also working on implementing InTune, which is the system that remotely manages computers to provide security updates and software applications. This project has been going on for about six months. It is focused on employee computers, Classroom and lab computers will be in Phase II of the project. | Information only. |
