

Fall 2020 AB705 Target Course Grade Distributions and Success Rates in AMLA, ENGL, MATH, and READ

This report provides a quick view on the grade distribution and success rates of those courses related to AQ placement in AMLA, ENGL, MATH, READ for fall 2020. Due to the impact of COVID-19 and switching to online instruction mode, certain grading and registration status policies have been temporarily modified following Chancellor’s Office new guideline (see Executive Orders and Guidance Memos [here](#)). Be alert that in addition to the continuing of “Excused Withdrawal” (EW) grade policy, all “F” grades were automatically converted to “NP” in fall 2020. Please note that percentages based on small number (<30) are shaded in the report and not reliable to use for comparison.

Summary data in this report are organized by subject area:

- AMLA (pp. 1-3)
- ENGL (pp. 4-5)
- Math (pp. 6-8)
- Read (pp. 9-10)
- Appendix: Three Fall Terms Grade Distribution Comparison by Subject (pp. 11-12).
