

MPSTF Graphic Recording

The mind map is centered on a blue oval labeled "United and United". It branches out into several light blue oval nodes, each containing a handwritten note. The notes are as follows:

- COMMUNITY COMMUNICATIONS**
Input and sharing information
- Does every line SERVE our STUDENTS?**
- INCLUDES ALL RELEVANT THINGS**
- INCLUDE CO-CURRICULAR PROGRAMS**
that aren't typical classes
- Students feel like they**
- ALL HOURS + ALL USERS**
- Represents Our After 5pm Community**
- A Campus CONCEPT for all**
- There will be**

a ten-year plan

Master Plan Steering Task Force

What are your ideas?

This is the beginning
of an important
opportunity for all of us.
Your VOICE and
WATCHFULNESS
matters

It will help us make decisions.

Look out of the box
... are there new ways
to focus on
student success?

★ There will be
NO SURPRISES

★ Does every line
SERVE our
STUDENTS?

★ INCLUDE
CO-CURRICULAR
PROGRAMS
that aren't typical
classes

★ Students
feel like
they
BELONG

★ Represents
Our After-5pm
Community

ALL HOURS +
ALL USERS

★ United
and Meets
Unique
Needs

★ Commitment
to Permanent
Structures...
IT'S ABOUT
EQUITY

★ FACTORS ECONOMIC HEALTH and GROWTH

Participation Rate
Labor Market

★ Opinions
and HEARD
and VALUED
No Complaints!

★ Is it FLEXIBLE ENOUGH to adapt and change?

Is it
FEASIBLE
and
REALISTIC?
Priority is built in:
Long-term Sustainability

★ Addresses all the ways we want to TEACH and LEARN

★ LOTS OF INPUT and FEEDBACK

● This is Data driven and Qualitative
We'll look to Best-Practices from other campuses.

- What's happening in our community?
- How do we meet those needs?

When scheduling with Faculty, look at non-peak instruction hours.

At 2nd ROUND
maybe possibility for
"PROP-IN" interviews.

EDUCATIONAL M.P.

- "1-PAGE" PLANS captures each discipline's needs

DATA
PORTFOLIO
brings in
demographics, trends
and space

FACILITIES MASTER PLAN
Plans to make space available to meet needs
