	Meeting Agenda	<u>ACCJC</u> Standard	Outcomes
I.	Welcome & Introductions		Welcome committee membersJimmy Tamayo has stepped down from membership.
п.	Approval of Minutes: April 17, 2023		April 17, 2023 minutes were approved after minor adjustments: • Add to meeting minutes Nuventive Demonstration discussion.
III.	Review unit PIES?	IB.9	 Committee members were asked if they would be interested in discussing the completed PIE process, additional training, or review the unit PIE's? Before Unit PIE discussion, L. Greenlee stated the Institutional Self Evaluation Report (ISER) team found inconsistencies with the following PIE process across campus: Internal and external factors lack impacting workflow. Low connection with SLO outcome data. Some Unit goals are focused on resources rather than increasing budget.

		The committee agreed it would be helpful to review the Purpose and Function statement, come up with Unit PIE examples, and come up with template changes. Patty and Jennifer will work together on providing Unit PIE examples at the next meeting.
IV. Review of templates: Where we are now & Where we are going	IB.9	It was said two breakout rooms should be assigned to committee members to review the templates: "Where we are now" and "Where we are going" L. Greenlee stated there should be some understanding about the accreditation requirements along with a report before assigning breakout rooms. Breakout rooms will be assigned, and report information will be provided to committee members at the next meeting held May 15 th , 2023.
V. Other – Nuventive Platform Upgrade		Committee members discussed upgrading the Nuventive platform after the Manager's PIE completion in July 2023. System upgrade will take approximately four weeks to complete. L. Greenlee stated there should be no problem with upgrading, all accreditation evidence was located from the current system and no other information is needed at this time. C. Jackson said he will get feedback from Outcomes department on the new platform update. K. Patel - Information Technology (IT) representative shared the following Nuventive demo link with committee members in the zoom chat. <u>https://vimeo.com/762649451/82dfed35c0</u> After viewing the demo, the committee suggested to have a Nuventive representative attend the next PIE meeting held on May 15, 2023 to discuss the upgrade in greater detail. Vice President, Kelly Fowler intends to review templates and will present the information to Cabinet to get feedback from other Vice Presidents.
