Total Enrollments

~~(55040-55044, 58161)~~

Students will be limited to three substandard grades and/or withdrawals for the same **credit** course. A student will be allowed to enroll in a course in which a satisfactory grade (“A”, “B”, “C”, “P”, or “CR”) has not been recorded if the College has not recorded three attempts at the course which resulted in substandard grades and/or withdrawals on the student’s permanent academic record.

Students who, on their first and second enrollment, receive a substandard symbol of “D”, “F”, “NP” or “NC” or “W” may only re-enroll in the same class one more time, unless the class is deemed as repeatable. **Effective Fall 2018 students may receive the Excused Withdrawal “EW”. However, this notation does not count towards the previously mentioned enrollment limitations.**

Repeatable Courses

Courses deemed as “repeatable” may be taken for a total of four enrollments based on the course designation regardless of the mark or grade recorded ~~(Title 5 55041(c)).~~

Students may repeat the same credit course without limitation provided that all other requirements pertaining to the course are met and that substantial proof exists that the course is:

- A special class to meet the student’s disability-related accommodation ~~(Title 5 56029)~~
- Part of a variable unit open entry/open exit credit course as allowable ~~(Title 5 55044)~~

Students may also repeat courses due to:

- Military withdrawal (“MW”) ~~[Title 5 55024(d)(1)]~~
- Work Experience ~~(Title 5 55023)~~
- Extraordinary Conditions ~~[Title 5 55024(a)(10)]~~
- Extenuating Circumstances ~~(Title 5 55045)~~
- Significant Lapse of Time ~~(Title 5 55043)~~

- Part of legally mandated training (~~Title 5 55041~~)

For Substandard Grades
(~~55024, 55040~~)

Students will be allowed a course in which they have received a substandard grade ("D," "F," "FW," "NP", or "NC") if they have not already exhausted the three total enrollment opportunities noted above. The previous grade and credit will be disregarded in computing the student's GPA each time the course is repeated, such that the highest grade will count toward the grade point average. The student's permanent academic record will be annotated such that all course work that has been taken and forgiven or repeated will remain legible, ensuring a true and complete academic history.

For Withdrawals
(~~55024, 55040~~)

Students are permitted to drop classes in accordance with AP 5075 – Course Adds and Drops, which requires a notation of a "W" on the student's permanent academic record should the drop take place aAfter the first two weeks of a 16-week class in a regular term, or after the first 20% of a short-term course. Students will be allowed to enroll in a course in which they have previously dropped with a "W" if they have not already exhausted the three total enrollment opportunities noted above.

Neither the Military Withdrawal "MW" nor Excused Withdrawal "EW" shall be counted towards the permitted number of withdrawals or counted as an enrollment opportunity.

Extenuating Circumstances
(~~55040, 55045~~)

In cases in which the student's grade and/or enrollment was the result of an extenuating circumstance, students may file a petition to repeat a class an additional time (whether the prior enrollment was due to a substandard grade, a passing grade, or a withdrawal). Extenuating circumstances are verified accidents, illness, or other circumstances beyond the control of the student. When course repetition is approved pursuant to this provision, the District shall allow the previous grade and credit to be disregarded in computing the student's grade point average each time the course is repeated.

Details on course repetition and withdrawals can be found in the catalog. Faculty and students should be referred to the office of Admissions and Records for additional information.

Grade Alleviation with Course Repetition from Other Accredited Colleges/Universities

In an effort to facilitate student completion, a student may use a passing grade in an equivalent course from an accredited college or university to alleviate an earned substandard grade at Mt. San Antonio College. As a result, the repeated course(s) will be excluded from the calculation of passed hours, earned hours, GPA hours, quality points, and GPA on the Mt. SAC transcript.

Grade Alleviation with Course Repetition from Other Accredited Colleges/Universities can be completed as follows:

1. Students must submit official transcripts from colleges and/or universities where the course was repeated to the Office of Admissions and Records.
2. Students should contact Counseling or the appropriate academic department to determine if equivalency has been established before submitting their petition.
3. If no course equivalency has been established, a Request for Variance or Credit for Equivalent Course must be submitted. The equivalencies for courses within disciplines taught at Mt. San Antonio College shall be determined by discipline faculty and certified by their department.
4. Students requesting grade alleviation with course repetition from other accredited colleges/universities must submit a *Petition for Grade Alleviation with External Course Repetition* to the Office of Admissions and Records.
5. Once the Admissions and Records Office processes the form(s), the transcript will be updated, and the student will be notified of such action.

Annotations on Student's Academic Record

To ensure a true and complete academic history, grades alleviated via Grade Alleviation with Course Repetition from Other Accredited Colleges/Universities will not be removed from the student's academic record. Instead, a student's permanent academic record will be annotated such that all course work that has been taken and forgiven or repeated will remain legible, ensuring a true and complete academic history. These changes will not affect prior notations of academic standing, academic probation, or dismissal.

Mt. San Antonio College does not guarantee that Grade Alleviation with Course Repetition from Other Accredited Colleges/Universities be honored by institutions outside of the District. This determination will be made by the transfer institution.

Courses previously academic renewed or not deemed equivalent will not be granted Grade Alleviation with Course Repetition. Coursework to be alleviated cannot be used in awarding of a degree, certificate, or transfer certification.

When grades are given for any course of instruction, the grade given to each student shall be the grade determined by the instructor of the course. The determination of the student's grade, in the absence of mistake, fraud, bad faith, or incompetency, shall be final.

NON EVALUATIVE SYMBOLS (credit courses only)

<u>SYMBOL</u>	<u>DEFINITION</u>
<u>!</u>	<u>Incomplete – Incomplete academic work for unforeseeable, emergency, and justifiable reasons at the end of the term may result in an "I" symbol being entered in a student's record. The condition for removal of the "I" shall be stated by the instructor in a written record. This</u>

	<p><u>record shall contain the conditions for the removal of the "I" and the grade assigned in lieu of its removal. A final grade shall be assigned when the work stipulated has been completed and evaluated, or when the time limit for completing the work has passed. The "I" may be made up no later than one year following the end of the term in which it was assigned. The "I" symbol shall not be used in calculating units attempted nor for grade points.</u></p>
<u>W</u>	<p><u>Withdrawal - Assigned to students who officially withdraw from a class. "W" grades are not used in calculating GPA, but are used as factors in probation and dismissal procedures.</u></p>
<u>MW</u>	<p><u>Military Withdrawal – Students who receive military orders compelling withdrawal from classes shall be permitted to withdraw at any time with no adverse impact on academic records or enrollment status. Students shall show copies of military orders before the "MW" can be processed. Military withdrawal shall not be counted in progress probation or dismissal calculations.</u></p>
<u>EW</u>	<p><u>"Excused Withdrawal" (EW) occurs when a student is permitted to withdraw from a course(s) due to specific events beyond the control of the student affecting his or her ability to complete a course(s) and may include a job transfer outside the geographical region, an illness in the family where the student is the primary caregiver, when the student who is incarcerated in a California state prison or county jail is released from custody or involuntarily transferred before the end of the term, when the student is the subject of an immigration action, or other extenuating circumstances as described in (a)(2), making course completion impracticable. In the case of an incarcerated student, an excused withdrawal cannot be applied if the failure to complete the course(s) was the result of a student's behavioral violation or if the student requested and was granted a mid-semester transfer. Upon verification of these conditions and consistent with the district's required documentation substantiating the condition, an excused withdrawal symbol may be assigned at any time after the period established by the governing board during which no notation is made for withdrawals. The withdrawal symbol so assigned shall be an "EW."</u></p>
<u>IP</u>	<p><u>The "IP" symbol shall be used only in those courses which extend beyond the normal end of an academic term. It indicates that work is "in progress" but that assignment of an evaluative symbol (grade) must await its completion. The "IP" symbol shall remain on the student's permanent record in order to satisfy enrollment documentation. The appropriate evaluative symbol (grade) and unit credit shall be assigned and appear on the student's permanent record for</u></p>

	<u>the term in which the course is completed. The "IP" shall not be used in calculating grade point averages.</u>
<u>RD</u>	<u>The "RD" symbol may only be assigned by the Office of Admissions and Records. It is to be used when there is a delay in reporting the grade of a student due to circumstances beyond the control of the student. It is a temporary notation to be replaced by a permanent symbol as soon as possible. "RD" shall not be used in calculating grade point averages.</u>
