INFORMATIONAL REPORTS

- Career & Transfer Services Director Heidi Lockhart and Dean of Counseling Tom Mauch presented an update on student transfers to universities and four-year colleges. They noted that while Mt. SAC continues to rank among the top 10 (#7) in transfer rates to California public universities, its transfer numbers have been greatly impacted by limited transfer capacity at these institutions over the past 18 months—largely due to state budget cuts. The top five UC and CSU campuses to which Mt. SAC students transferred over the past five years are UCLA, UCSD, UCR, UCI, UC-Berkeley as well as Cal Poly Pomona and Cal State Fullerton, LA, San Bernardino, and Long Beach. Lockhart cited recent initiatives taken by Transfer Services to improve transfer rates, including the launch of a listserv that now notifies nearly 8,000 students of transfer-related updates and deadlines as well as activities sponsored by the Career & Transfer Center. Class presentations on transfer admissions basics have doubled over the past three years, and the corresponding number of students reached has increased dramatically from 1,151 to 2,117 (84% increase) over the same period. A Facebook page has also been established to distribute transfer information and to engage students.
