INFORMATIONAL REPORTS

Daniel Lamoree, Educational Research Assessment Analyst, Maria Tsai, Senior Reach Analyst, Research and Institutional Effectiveness, and Anabel Perez, Learning Communities Counselor/Coordinator, Student Services, updated the Board on the 2010 Summer Bridge Cohort Longitudinal Study. The purpose of the study is to identify quantitative and qualitative differences between students in the 2010 Summer Bridge cohort and students of a similar demographic and academic background. The study showed that the success rate for the Summer Bridge cohort was 4% greater than the “control” group and that 93% of Summer Bridge students persisted into the fall 2010 term. The students will continue to be tracked for a total of three years.

Heidi Lockhart, Director, Career and Transfer Services, gave a report on the Disney College Program. The Disney College Program is a six-month paid internship program that allows college students to continue their education while gaining real world experience with one of the world’s major entertainment companies. Once in the program, students work for either Disneyland or Disney World for 28-32 hours per week earning $8.68-11.50 per hour. They are also exposed to a leadership speaker series and other professional development programs. Mt. SAC, which has been collaborating with Disney since 2006, has between 20 and 40 students each year who are selected to participate in the program.
