## INFORMATION ITEMS

- The Board reviewed the Mt. San Antonio Community College District, Financial Aid, and Mt. San Antonio College Auxiliary Services Corporation audit with representatives from Vicenti, Lloyd & Stutzman. Mt. SAC received an unmodified opinion, which is the best opinion that can be received.
- **Dr. Audrey Yamagata-Noji**, Vice President, Student Services; **Carolyn Keys**, Dean of Student Services, and **Corey Case**, student, reported on the 2015 Student Equity Plan. As part of the plan, colleges must address five goal indicators: access, course completion, ESL/Basic Skills completion, degree and certificate completion, and transfer. Research showed several trends, including: there is a differentiation of success between groups (African-American students have lower transfer rates than Asian Americans); and a differentiation of success within ethnic groups (Latinas are more successful than Latinos in improvement in Basic Skills/English). The plan must address students in several ethnic and racial categories and should also address students who are low income, former foster youth and veterans. The plan will be presented to the Mt. SAC board next month for approval.
