

Graduate and Other Program Prerequisites

Planning to complete the prerequisites for your graduate school or other programs (e.g., Dental Hygiene, Sonography, etc.) at Mt. SAC? We are here to help guide your next steps! Since every program has its own requirements, you must research carefully, meet with the program advisor, and confirm which Mt. SAC courses are accepted.

VISIT PROGRAM WEBSITE

Be sure to review all admission requirements outlined on the institution's website.

MEET WITH PROGRAM ADVISOR FROM YOUR DESIRED COLLEGE

Contact the admissions officer or counselor at the institution to confirm which prerequisites can be completed at Mt. SAC and to identify the corresponding courses in Mt. SAC's catalog (catalog.mtsac.edu).

SHARE THE LIST WITH A MT. SAC COUNSELOR

To be cleared for eligibility to register for courses with prerequisites at Mt. SAC, you must provide proof of completion:

- If you completed the prerequisite at Mt. SAC, no transcript is needed.
- If you completed the prerequisite at another college, you must provide an unofficial transcript showing the course and grade earned.
- Visit the Counseling Department website for information on scheduling a meeting with a counselor. www.mtsac.edu/counseling/

This ensures that your prerequisite coursework is properly verified before enrollment.
