

Mt. San Antonio College Patient Portal Registration Instructions

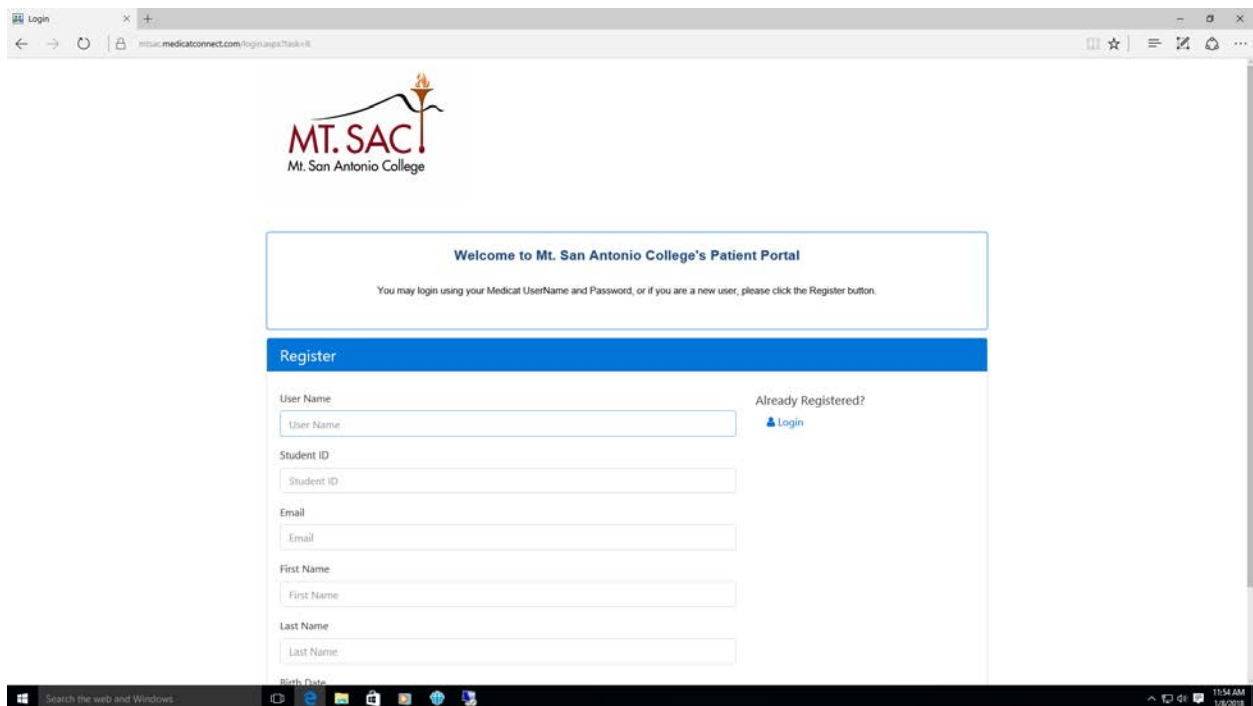

Go to: <https://mtsac.medicatconnect.com/>

Click on the “Register” button on the top right corner.

Complete the form. Create a unique username.

The email you enter must be your **Mt. SAC email address**.

Upon completion, you will be sent a confirmation email. Click on the link in your email to create a password and complete the registration process.

Now, you will be able to schedule and cancel certain types of appointments, complete forms, upload documents such as immunization records, and receive secure messages from the Student Health Center.

If you have any questions, please call the Student Health Center at (909) 274-4400.
