

VOLUNTARY INSURANCE PLANS FOR STUDENTS

While extensive health services are available to you while you are enrolled and attending classes, it is highly advisable that you purchase an individual policy to protect you in instances where our services cannot.

There are a number of private companies that offer voluntary plans. Mt. San Antonio College does not specifically endorse any program, however we do feel a responsibility to acquaint you with multiple plans. Please research your options carefully before making a selection. Please evaluate as many plans as you feel necessary.
