 - Students will be dropped from the class if they are absent on the first day of class.
 - Students must be present on the last day of class to take the final exam.
- Students must finish courses during the summer session. No extensions or carry-over of courses will be allowed for summer courses, even across sessions.
- Each of the summer courses are certified as fulfilling the “a-g” subject requirements for freshman admission to the University of California and California State University systems.

Course Notification Information

- Class placement will be available on Wednesday, May 15th
- We will mail a postcard to your home indicating in which class(es), if any, students were placed.
- When you receive the postcard, please call us to confirm the class placement.
- After May 15th we will be contacting only the parents of students who were accepted.

Registration Information-All Students

- All students, new and returning, will need to submit a new referral form to our office in Building 30, Room 115.
Parent or student must walk-in the referral. Faxed/mailed referral forms will not be accepted.
- Submitting a referral form does not guarantee placement in a class.
- After May 9th you can submit a late referral for review, but it will not be given priority and will only be processed if space opens up in a class.

Additional Registration Information-New Students

- After the referral form is submitted, students will have to attend an orientation with their parent or legal guardian.
- Attending an orientation does not guarantee placement in a class.

Additional Registration Information-Returning Students

- Cannot carry over coursework from courses in which they were previously enrolled (e.g. Spring 2019).
- Do not have to attend orientation unless they are taking Biology or Chemistry for the first time at Mt. SAC.

If you have any questions, please call us at (909) 274-4937.
