“ MEET THE EXPERTS”

Have you ever wondered how the experts landed their jobs in the industry? Well here is your chance to find out. Come and ask the experts in the Agriculture field your unanswered questions.

HERE'S HOW IT WORKS:

 For information contact Arnita Champion achampion@mtsac.edu (909) 274 6080

 Email Arnita Champion your first and last name, student ID number and three questions you would like to ask the experts (*ask about their company, How they got started, pros and cons etc. You will have a chance to speak with the experts one-on-one.*)

 The experts will review your questions ahead of time.

 First Come, First Served...Don't stand in line... get there on time...5pm-6pm
