300 BROCKMONT DRIVE, GLENDALE, CALIFORNIA 91202

PICTURE THIS LAND

Is a Design/Build landscape company operating in Glendale since 2002. We hold a C27 Contractor State of California license.

We provide services from initial design concept to full installation and maintenance. We operate in a radius of approximately 15 miles from Glendale.

We are seeking individuals for two positions.

Position one is for a designer/manager. This position will operate both in the field and in the office. The position will provide experience in all aspects of landscape design, installation and management, including customer relations. Preference will be given to applicants with computer skills including knowledge of Sketch Up, Photoshop and Autocadd.

Position two is for a landscape installer. This position will operate in the field. We prefer applicants with knowledge of irrigation, construction, horticulture and planting technics. She or he will need to be physically capable of carrying loads of at least 35 lbs.

For both positions Picture This Land will provide further professional training such as classes at Ewing Irrigation or at Rain Bird Irrigation education program.

Picture This Land offers full time, and part time positions, with fair wages, sick pay, paid holidays and workers compensation. Salary based on experience of candidate.
