For these members, District provided Summer Schedule Leave will be one-half (1/2) of this calculated number of paid leave hours. For example, a 100% assigned unit member who only works the first two weeks of the Summer Schedule would need eight (8) hours of paid or unpaid leave of which four (4) would be District provided Summer Schedule Leave and the remaining four (4) hours would be the responsibility of the unit member using any options under IX.M.11.b. If one-half (1/2) of the calculated paid leave hours results in a fraction, the Summer Schedule Leave provided by the District will be rounded up to the next whole hour. For example, an employee needing nine (9) hours of paid or unpaid leave would be provide with five (5) hours Summer Schedule Leave and the remaining four (4) hours would be the responsibility of the unit member using any options under IX.L.11.b
13. With management approval, as per Article IX.B.2., an employee may work ten (10) hours a day. In such cases, the employee would neither receive District provided Summer Schedule Leave nor be required to take paid or unpaid leave.

When available during the thirty-nine (39) month period, if the unit member is medically fit to return to duty, as determined by a licensed physician and the college has engaged in the interactive process as required by the Fair Employment Housing Act (FEHA), he/she shall be employed in a vacant position in the class of his/her previous assignment over all other available candidates except for reemployment list established because of lack of work or lack of funds; in which case, he/she shall be listed in accordance with appropriate seniority regulations. If requested by the unit member, Union representation may be present at any point in this process.
11. Any unit member receiving benefits as a result of this section shall, during periods of injury or illness, remain within the State of California unless the governing board authorizes travel outside the State.

additional floating holiday hours, pro-rated for less than one hundred percent (100%) employees. When the July Fourth holiday falls on a Sunday, the holiday shall be observed on the Monday following the holiday. In these two situations, the historic holiday of July 4th will also be compensated at the holiday pay rate as specified in M.O. Those unit members so designated shall be compensated as specified in Article M.O.

After the unit member's initial six (6) months of employment, a unit member who is terminated or resigns shall be granted his/her accumulated vacation allowance; the monetary value of accumulated vacation allowance may be paid in lieu of carrying the employee on the payroll. Eligible employees who desire to take school visit leave shall provide written notice to the department in advance of the leave. Failure to provide written notice pursuant to established leave request procedures prior to the leave may result in denial of the leave request.

4. A unit member who has been transferred to a lower class shall be transferred back to original classification at first available vacancy. The unit member may request voluntarily demote and remain in the lower classification. The District shall determine whether to transfer or allow the unit member to voluntarily demote. This shall apply to those unit members transferred prior to January 1, 1997, to a lower class with no loss in pay.

ARTICLE 13**PERFORMANCE EVALUATIONS****A. Evaluation**

No evaluation of any unit member shall be placed in any personnel file without an opportunity for discussion between the unit member and the evaluator. No evaluation shall be made based upon hearsay statements but shall only be based upon the direct observation and knowledge of the evaluator including documented and verifiable evidence provided by a reliable identified source. If such evidence is provided by another unit member, that evidence must be independently verified by another source outside of union membership. The unit member shall have the right to review and respond to any derogatory evaluation in accordance with Article XII, Personnel Files. The grievance procedure shall not be used as a means for resolving disputes of the judgment and recommendations of the evaluator.

1. **Performance Evaluations**: The purpose of performance evaluations is to inform employees about the quality of their work. The performance evaluation procedures are as follows:
 - a. Evaluations shall be performed by the immediate non-bargaining unit supervisor or manager and shall only focus on the employee's job performance.
 - b. Permanent status employees are evaluated annually, based on the date of initial appointment of the unit member's current primary classification. A permanent status employee's evaluation shall cover the employee's job performance for the last twelve (12) month period. Notwithstanding extenuating circumstances, annual evaluations shall be issued no later than 15 working days following the end of the evaluation period. Probationary employees are evaluated after two (2) months and five (5) months. Probationary evaluations shall be completed prior to the end of the probationary period.
 - c. Based on availability, a meeting will be scheduled with unit members within the first week the unit member is hired, promoted, or transferred. The purpose of this meeting is to establish mutual understanding of the job description and for management to establish performance goals and expectations. Unit members shall be provided necessary training to meet established goals and expectations. Follow-up meetings will be scheduled with unit members quarterly or as needed to discuss any expectations, improvement needs, and/or positive feedback prior to the next evaluation. Evaluators should engage in ongoing communication with the unit member regarding performance issues before issuing a negative evaluation.
 - d. Performance evaluations for those employees working out-of-class shall not be based solely on the specific job duties of the out-of-class position, unless the employee is in the out-of-class assignment for the entire duration of the evaluation period.
 - e. The District shall provide at least two joint performance evaluation trainings annually for unit members and their evaluators accommodating all unit members' shifts.

The unit member, with approval from management, shall schedule no less than one hour of release time within these two (2) days to review the evaluation and identify any areas of concern, which may then be discussed with the evaluator during the performance evaluation meeting.
 - c. The employee and evaluator shall sign one (1) copy of the performance evaluation form at the end of their meeting. The employee's signature acknowledges receipt of the evaluation. Signing the performance evaluation form does not constitute the employee's agreement with the performance evaluation. The evaluator shall provide the employee with a copy of the evaluation.
 - d. Evaluator shall forward the completed performance evaluation to Human Resources within five (5) working days of the evaluation meeting.
3. Negative Performance Evaluations:
- a. Performance criteria marked as "needs improvement" on the evaluation shall include specific recommendations for improvements, a timeline in which to improve, and provisions for assisting the employee in implementing any recommendations made. This performance improvement plan shall be created by the unit manager and the Vice President, Human Resources, or his/her designee, prior to the issuance to the unit member.

 - c. An employee may review the judgment and recommendations for their evaluator with the next highest manager or the Vice President of Human Resources or their designee who shall provide the employee with a response within fifteen (15) working days or as mutually agreed.
4. Performance Goals: The performance evaluation may include goals to be achieved during the next performance evaluation period. If included, these must be related to the duties and responsibilities of the employee's assigned position classification description and reflect action items identified on the evaluation form. Managers and employees may consult with the Vice President of Human Resources or his/her designee regarding the development of performance goals.

The District retains the right to extend the probationary period for an additional six (6) months. The District shall advise the unit member of the reason for such extension.

ARTICLE 15**GRIEVANCE PROCEDURE****A. General Provisions**

1. Except as provided to the contrary, this grievance procedure is restricted to alleged violations of specific item(s) in this Agreement arising during the term of this Agreement. A grievance is defined as a formal written allegation filed by a unit member within twenty (20) work days of the alleged violation or within twenty (20) work days after the unit member reasonably should have known that a violation of the specific provision(s) of this Agreement has occurred.
2. Actions to challenge or change the policies of the District as set forth in the Board Rules and Regulations or administrative regulations and procedures must be undertaken under separate legal processes and not in conflict with the provisions of this Agreement. Other matters for which a specific method of review is provided by law, by the Board of Trustees Rules and Regulations, or by the Administrative Procedures of the District are not within the scope of this procedure.
3. The District and the Association agree that every effort will be made by the District and the unit member to settle grievances informally at the lowest possible level.
4. Until final disposition of the grievance, the grievant is required to conform to the direction of his/her immediate manager. If the unit member fails to conform to the direction of his or her manager, the unit member forfeits his/her rights to pursue the grievance procedure.
5. Each party involved in a grievance shall act quickly so that the grievance may be resolved promptly. Each party agrees to complete action within the time limits contained in the grievance procedure; however, with the written consent of the parties to the grievance, the time limitation for any level may be extended. Any grievance not advanced to the next level within the time limits established for that level shall bar the grievant from any further right to pursue that grievance and the grievance shall be deemed resolved with the decision rendered at the previous level (including "Level One - Informal"). Failure on the part of a manager to answer within the time limits set forth for any level will entitle the unit member to proceed to the next level (including "Level One - Informal").
6. Time limits provided in each level shall begin at the expiration of the previous time limit or the day following receipt of written decision by the interested parties.
7. Grievance meetings normally will be scheduled by the District so as not to conflict with essential duties. However, if the meeting is expected to be of such duration that it would extend beyond the normal business hours of the District's central office, the District shall provide the release time to the grievant, witnesses, and, if requested, the President of the Association or the President's designee, so that the session can be accommodated within such business hours. This provision shall constitute "reasonable periods of release time" within the meaning of Government Code 3543.1(c).
8. In order to encourage a professional and harmonious disposition of unit members' grievances, it is agreed that from the time a grievance is filed until it is processed through Level Four, or decided to the mutual satisfaction of the grievant and the District, neither party shall inform the general public of either the details of the grievance or evidence regarding the grievance.
9. All meetings and hearings under this procedure shall be closed to all persons other than the parties in interest, their representatives, and witnesses, as necessary.
10. All procedural documents, communications, and records dealing with the processing of a grievance

will be filed in a separate grievance file, maintained by the District, and will not be kept in the personnel file of any of the participants.

11. Forms necessary for the grievance process will be provided by the District and will be given appropriate distribution to facilitate the grievance procedure. The written grievance shall (1) be specific; (2) contain a description of the procedures which have previously been taken by the grievant; (3) contain a synopsis of the facts giving rise to the violation or misinterpretation; (4) contain the specific section of this Agreement which has allegedly been violated; (5) state the relief requested; (6) contain the date of the alleged violation; and (7) be signed by the grievant.
12. The grievant may request representation beginning at Level Two, but nothing contained herein will be construed as limiting the right of any unit member having a grievance to have the grievance adjusted without intervention of the Association, provided that such adjustment is not inconsistent with the terms of this Agreement and that the Association has been given a copy of the grievance.
13. No reprisals of any kind will be taken by the Board, the President of the College, the Association, or by any member or representative of the Administration of the College, against any aggrieved person, any member of the Association, or any other participant in the grievance procedure by reason of such participation.
14. The District and the Association shall pay their own expenses incurred in the grievance procedure. Parties shall equally share the expenses of the committee chairperson if such becomes necessary. Each party shall be responsible for compensating its own representatives and witnesses. If a party desires that a record of the testimony be made at the proceedings or from the tape recording, it may cause such a record to be made at its own expense provided; however, that it supplies the arbitrator and other party or parties with copies of such record at no expense to the other party or parties.
15. No unit member may use the grievance procedure in any way to appeal termination or decision by the Board not to renew his or her contract.
16. No unit member shall use the grievance procedure to dispute or appeal any action of the Board or administration which complies with law or regulations deriving from a state or federal regulatory commission or agency.
17. The grievant must be present at each level of the grievance procedure. Either party may be represented by a party of his/her choice beginning at Level Two of the grievance procedure.
18. This grievance procedure shall not be used as the basis for any type of class action.
19. If a grievance arises from action or inaction by the Board of Trustees, the aggrieved person shall submit such grievance in writing directly to the President of the College, the President of the Board of Trustees, and may optionally notify the Association. The processing of such grievance shall be commenced at Level Three.
20. A decision in any one case may or may not constitute precedence for any other grievance.
21. Notwithstanding any other provision of this Article, management shall not be required to process more than one grievance per workday at the formal level.
22. Adjustment of any grievance described herein shall not be inconsistent with the specific provision(s) of this Agreement.
23. Nothing contained in the grievance procedure shall be construed to deny the District, the Board of Trustees, the President, the Association, or any unit member the rights guaranteed to them under

state or federal law.

24. Any grievance occurring during the period between the termination date of this Agreement and the effective date of a new Agreement shall not be processed. Any grievance which arose prior to the effective date of this Agreement shall not be processed. Notwithstanding the expiration of this Agreement, any grievance claim initiated within the term of this Agreement may be processed through the grievance procedure until resolution.
25. A grievance may be withdrawn by the grievant at any time and at any step of this procedure provided; however, that same grievance shall not be filed a second time by the same party.
26. For the purpose of this grievance procedure, working days are defined as those days of normal business of the District's central office.
27. In settlement of any grievance resulting in retroactive adjustment, such adjustment shall be limited to a maximum of twenty (20) workdays prior to the date of filing of a written statement of grievance.
28. The parties agree that there shall be no strike or other economic action by unit members or by the Association, nor shall there be any lockout or other economic action by the District while this contract is in effect over any dispute which arises out of the interpretation or application of this Agreement or any alleged violation of the terms of this Agreement.

B. Procedures

1. Level One – Informal:

- a. Before filing a formal grievance, the grievant shall attempt to resolve the matter by an informal conference with his/her immediate manager within ten (10) workdays of the occurrence of the alleged violation.
- b. The unit member shall discuss the matter orally with his/her immediate manager. Only the grievant and the manager shall be present.
- c. Within five (5) workdays, the immediate manager shall give his/her oral response to the grievant.

2. Level Two – Formal:

If the grievance is not resolved at the informal level, the grievant will have five (5) workdays within which he/she shall submit to the Office of Human Resources a written and signed statement of grievance on forms provided by the District. The Office of Human Resources shall promptly forward the statement of grievance to the next highest manager with authority to act and provide the name of same to the grievant. Within ten (10) workdays after receiving the grievance, said manager shall meet with the parties and shall communicate his/her response in writing to the grievant and to the appropriate Vice President.

3. Level Three:

If the grievance is not resolved at Level Two, the grievant shall have five (5) work days after receipt of named manager's response within which he/she may submit an appeal on the appropriate form to the appropriate vice president, or his/her designee.

Allegations not presented at Level Two may not be introduced at any other level, and no evidence or testimony given shall be the cause for initiating further grievance.

The appropriate vice president or his/her designee shall meet with all parties and subsequently give the grievant an answer in writing no later than ten (10) days after receipt of the appeal.

4. Level Four:

- a. If the aggrieved person is not satisfied with the disposition of the grievance at Level Three or if no written decision has been rendered within ten (10) work days following the Level Three meeting with the appropriate vice president or his/her designee, the aggrieved person may, within an additional five (5) work days, request in writing to CSEA 651 that the grievance be submitted to a Grievance Committee. The Grievance Committee shall be composed of three (3) voting members to be selected as follows: one (1) representative of the employee, one (1) representative of the District, and a third party mutually selected by the respective representatives.
- b. In the event CSEA 651 chooses to take the grievance to arbitration, the grievant and the President or his/her designee, shall attempt to agree upon an arbitrator. If no agreement can be reached, they shall request the California State Conciliation Service to provide a roster of five (5) names of persons experienced in hearing grievances in public agencies and within one (1) hour's normal driving time. Each party shall alternately strike a name until only one (1) name remains. The order of striking shall be determined by lot. The remaining name shall be that of the arbitrator. If the arbitrator selected will not be available for the hearing within a reasonable period of time, not exceeding sixty (60) days, the parties shall proceed to select another arbitrator from the above list.
- c. The arbitrator shall have no power to alter, amend, change, add to, or subtract from any of the terms of this Agreement, but shall determine only whether or not there has been a violation of this Agreement in the respect alleged in the grievance. The decision of the arbitrator shall be based solely upon the evidence and arguments presented to him/her by the respective parties in the presence of each other and upon arguments presented in briefs. The arbitrator shall consider and decide only on the specific issues submitted in writing and shall have no authority to make a decision on any other issue not so submitted.
- d. The arbitrator shall cause the hearing to be recorded on tape.
- e. The arbitrator may hear and determine only one grievance at a time unless the District and the grievant(s) expressly agree otherwise. However, both parties will in good faith endeavor to handle in an expeditious and convenient manner cases which involve the same or similar facts and issues.

5. Arbitrator's Decision, Board of Trustees Review:

- a. The arbitrator's decision will be in writing and will set forth all findings of fact, reasoning, and conclusions on the issues submitted. The grievance committee will be without power or authority to make any recommendation which requires the commission of an act prohibited by law or which violates the terms of this Agreement. The arbitrator in no case shall make any recommendation inconsistent with District duties, responsibilities, or obligations as such are prescribed in state or federal law. However, it is agreed that the arbitrator is empowered to include the arbitrator's recommendation of such financial reimbursement or other remedies as is judged to be proper except that in settlement of any grievance resulting in retroactive adjustment, such adjustment shall be limited to a maximum of twenty (20) days prior to the date of filing of the written statement of grievance form. The decision of the Arbitrator will be submitted to the Board of Trustees, the President of the College, the grievant, and the Association.
- b. The decision of the arbitrator within the limits herein prescribed shall be in the form of a

recommendation to the Board of Trustees. If grievant files a request to the Board of Trustees to undertake review of the advisory decision within ten (10) workdays of its issuance, the Board of Trustees shall then undertake review of the entire hearing's records and briefs. The Board of Trustees may also, if it deems it appropriate, permit oral arguments by representatives of the parties, but only in the presence of one another. In such case, the Board of Trustees shall render a decision on the matter within thirty (30) workdays after receiving the arbitrator's decision. Such decision shall be final and binding on all parties. If the Board of Trustees does not render a decision within the time specified, it shall be deemed to have adopted the decision reached at Level Three.

- c. In a case where the arbitrator's recommendation sustains the grievant, but the Board of Trustees subsequently fails to accept such recommendation and instead modifies or reverses the arbitrator's decision, and the grievant later files a judicial action against the District for breach of the Agreement, the District shall not assert as a defense that the grievant's utilization of the grievance procedure was the only proper remedy for resolution of the grievance. In all other cases, the grievance and arbitration procedure described above is to be the Association's and unit member's sole and final remedy for any claimed breach of this Agreement which is covered by the grievance procedure

Activity hours may be combined with college units to earn the benefit, but are not required to be earned within the twelve (12) month period as mentioned in A.
- D. Personal/Professional Growth opportunities that are not mandated by the District but approved by the employee's supervisor and attended during the employee's scheduled work shift, shall be requested as leave by the employee.

ARTICLE 17

RECLASSIFICATION PROCEDURE

The intent of this Article is to assure that:

1. Unit members perform duties within the scope outlined in their job descriptions.
2. Duties performed beyond a unit member's job description will be assigned in a manner that follows statutory requirements (EC Section 88000, et seq.).
3. Clear, consistent, equitable processes are utilized for changes in unit members' job descriptions, compensation, and assigned job classifications.
4. Regular reviews of entire classes of job descriptions are completed to assure currency in District needs for employees, competitive qualifications, and compensation of employees, and collaborative processes to make such changes.
5. Equitable treatment is provided for all unit members, including opportunities to participate in the reclassification process.
6. Adequate timelines are established to prevent unnecessary delays that may result, intentionally or unintentionally, in improper alignment of unit member's duties and compensation with that specified in their job descriptions.

1. Definitions

Type 1 – Reclassification: For purposes of this agreement, "reclassification" shall mean the upgrading of a position to a higher classification as a result of the gradual increase of the duties being performed by the incumbent in that positions. Ed. Code Section 88001(f). As used in Section 2 of this Article, the reclassification procedure results in the movement of one or more-unit member(s) from their current classification to a higher existing classification.
- b. Type 2 – Pay Grade Change or Special Compensation: Each job classification within the CSEA 651 unit may have more than one pay grade in the Salary Schedule. Unit members may be placed in a higher pay grade based on education, knowledge, training, or skills, which are beyond minimum qualifications for the position and are of value to the District for the performance of those duties. Unit members may be placed in a higher Salary Schedule pay grade upon hire or through the process described in Article XVII, Section 3 and Article VII, which also describes the process for creating such higher Salary Schedule pay grades. When a qualifying certification expires or qualifying skill becomes obsolete, this will result in a loss of the pay grade or special compensation increase. 6. In the event two (2) or more employees have the same hire date, seniority by a drawing of lots, will be conducted by the District to establish seniority.
7. Permanent employees who are offered and accept a position in a classification in which they have not worked prior, and are thus placed in probationary status in their new position, shall be placed back on the thirty-nine (39) month re-employment list with bumping rights if they do not meet the criteria of the probation period.

D. Bumping Rights and Procedures

Any employee notified of layoff from his/her present position may bump into any equal or lower class in which they hold seniority credit greater than an incumbent. An employee subject to layoff may bump into a position with a higher range only if he/she has established permanency in that position and has greater seniority than the person being bumped. Such right to bump must be exercised within five (5) days of notice of layoff. In determining bumping rights, the following rules shall apply:

1. The right to bump any incumbent in the same class shall not be allowed if there is a vacant position with equal or more assigned hours per day in the employee's current class to which he/she shall be assigned.
2. If no vacancy exists in the same class, with equal or more hours per day, then the affected employee will be offered the least senior occupied position in a class with equal or more (next higher available) hours of assignment per day by seniority, regardless of the number of work days or months per year of either position. If no such position exists, the employee shall bump the least senior employee in the classification with the most hours per day. Employees displaced because of bumping process shall, in succession, be granted, by seniority the same bumping rights. This paragraph shall only apply to a position in which the affected employee hold seniority credit greater than the incumbent.

3. Bumping into a lower class shall be considered a voluntary demotion and salary placement shall be at the step, which most nearly corresponds to, but does not exceed the employee's current salary placement.
4. In all cases, employees exercising their bumping rights must possess the skills and be able to perform the duties required of the class into which they bump. Employees who do not meet the qualifications for the classification may bump into a classification in which he/she has previously served and has sufficient seniority to bump, or the employee may apply for vacant positions. Employees shall be given preferential hiring, in probationary status, for any vacant position in which they possess the minimum qualifications. During the six (6) month probation period, the unit member shall be evaluated twice with a sufficient interval for the employee to make improvement based on the first evaluation.

E. Retirement in Lieu of Layoff

Any employee subject to layoff and who elected service retirement from the Public Employees' Retirement System (PERS) shall be placed on the thirty-nine (39) month reemployment list. The District shall notify the PERS Board of Administration of the fact that retirement was due to layoff for lack of work or of funds. If the employee is subsequently subject to reemployment and accepts, in writing, the appropriate vacant position, the District shall maintain the vacancy until the PERS Board of Administration has properly processed his/her request for reinstatement from retirement.

F. Effects of Layoff

1. The District shall continue the existing fringe benefits as provided in Article VIII of this agreement for an additional three (3) month period beyond the layoff effective date.
2. If an employee is laid off and reemployed within thirty-nine (39) months of the layoff, then all unused sick leave accumulated prior to the effective date of the layoff shall be credited back to the employee's records.
3. If the employee is reemployed within thirty-nine (39) months of the date of the layoff, the employee shall regain vacation longevity that he/she held prior to the layoff.
4. If the employee is laid off and is subsequently reemployed in an equal or lower classification within thirty-nine (39) months of the date of layoff, the employee will be placed on the step from which he/she left.
5. The District shall provide each full-time employee subject to lay off with a total of a maximum of twenty-four (24) hours, subject to review, paid release time for the purpose of seeking employment or training. Part-time unit members shall be entitled to such prorated released time in the same ratio as his/her regular hours of work per week bear to forty (40) hours.
6. The District will not use volunteers to replace classified employees on layoff by performing work customarily performed on a regular basis exclusively by classified employees. However, this section should in no way be construed to impede the services of legitimate school volunteers who are not used to displace regular classified employees.
7. Employees on layoff shall be given consideration for employment as a substitute short term or long-term replacement on an as needed basis as determined by the District.
8. Work normally and customarily performed on a regular basis exclusively by classified employees would only be contracted out in accordance with Government Code, Education Code, and any other related legal regulation.

9. Vacant positions shall be considered to be part of the layoff.

G. Preferential Re-employment

Any regular employee who must be laid off after exercising all rights guaranteed under this article shall have his/her name placed on a preferential reemployment list by class and in order of seniority. Such employees shall be reemployed in preference to new applicants for a period of thirty-nine (39) months from their layoff date. As vacancies occur, reemployment shall be offered to the employee with the greatest seniority.

The following rules shall apply to all employees whose names have been placed on a preferential reemployment list:

1. Employees who take voluntary demotions or voluntary reductions in assigned time in lieu of layoff are to remain in their present positions rather than be reclassified or reassigned, shall be granted the same rights as persons laid off and shall retain eligibility to be considered for reemployment for an additional period of up to twenty-four (24) months; provided that the same test of fitness under which they qualified for appointment to the class shall still apply.
2. Permanent employees shall be eligible to compete in promotional examinations for which they qualify.
3. When a vacancy occurs in a class for which a reemployment list has been established, the most senior employee in the classification on the reemployment list shall be notified by certified mail of the vacancy. An attempt shall be made prior to sending the mail notice to contact the employee by telephone.

An employee on the reemployment list shall have five (5) calendar days following service of the certified notice of reemployment to either accept or reject the offer. If the employee rejects the offer or fails to respond, the employee shall remain on the list, and thereby be entitled to two (2) additional offers of reemployment. If the employee accepts the initial offer, he/she is to report to work within five (5) calendar days of service of the notice. If the employee fails to comply with these prescribed limits, such failure shall constitute rejection of the District's offer.

An employee may decline three (3) offers of reemployment in his/her former class. After the third refusal no additional offers need be made, and the employee shall be considered unavailable for the duration of the preferential reemployment list unless he/she indicates otherwise in writing, by certified mail or personal service to the Vice President of Human Resources within ten (10) calendar days following the third offer.

4. Employees are responsible for immediately notifying the District, in writing, of any change of official mailing address. Any failure to do so, which in turn, causes a failure of notice to the employee shall be the responsibility of the employee, and shall not entitle the employee to additional consideration.

Appendix D Unit Member Work Outside of Classification Job Description

This Appendix is intended as a review of California Education Code related to Classified Staff performing tasks that are outside of their Board-approved job description. Each section describes the relevant code which is cited verbatim in footnotes. The specific effective practices used by the College are described as they apply to each situation. The relevant sections of this Agreement should be consulted for direction on unit member rights.

Each Classification in the Unit Has a Board-approved Job Description which contains a section entitled, "EXAMPLES OF ESSENTIAL FUNCTIONS (Illustrative Only)." It is the mutual understanding of CSEA Chapter 651 and the Mt. San Antonio Community College District that this section encompasses the typical scope of duties performed by unit members in each Classification. Typically, the last statement in this section is, "Performs other related duties as assigned." It is the mutual understanding of CSEA 651 and the District that this phrase should be interpreted within the context described in the DEFINITION and CLASS CHARACTERISTICS sections of the Job Description.

Performance of duties substantially outside of the ESSENTIAL FUNCTIONS for the Job Classification of a unit member are subject to statutory limitations as described below. CSEA 651 and the District recognize that the terms "related duties" and "substantially outside" are subjective and situational. For situations that may be unclear to either party, both CSEA 651 and the District agree to meet and confer to reach mutual agreement for any specific situation. Unit members performing work outside of their job classification may be an indication that a change in the classification should be considered. Article XVII: Reclassification Procedures gives direction on how to proceed with such a process.

Out-of-Class Assignments: [Education Code §88002](#) describes legal requirements of Mt. SAC's Out-of-Class Assignment process. Such assignments are initiated by a District offer to a specific unit member or members and acceptance is voluntary. Out-of-Class Assignments must be approved by the Board of Trustees but may be ratified by the Board subsequent to the start of the assignment. Classified employees are paid on a pro rata basis for the additional assignment. The District reserves the right to terminate the Out-of-Class Assignment at its discretion. The unit member retains the right to return to the original Job Classification in the previously assigned Administrative Unit. Out-of-Class service time does not disrupt the continuing accrual of seniority in the permanent Job Classification. See Section XI.D of this Agreement for the Out-of-Class Assignment procedure.

Out-of-Class Assignments as a Substitute: In circumstances for which the District is permitted by [Ed Code §88003](#) to employ a substitute, a Unit Member may fill that role as an Out of Class Assignment by written mutual agreement between CSEA 651 and the District. See Section XI.D of this Agreement for the Out-of-Class Assignment procedure.

Duties Not Reasonably Related to those in the Job Description - 5 Day Limitation: [Ed Code §88010](#) places restrictions on the District requiring work of a Unit Member outside of those reasonably related to those in the Job Description. Such a requirement may not exceed five days within any fifteen-day period without providing compensation that reasonably reflects the additional duties. Such compensation is understood to be that of an existing Job Classification that reasonably relates to the additional required duties. Note that this limitation is specific to work required by the District. Consequently, both unit members and supervising managers should require specific written direction if work outside the Job Description is to be authorized. Further, unit members are cautioned not to perform duties outside their Job Description without such written authorization from their supervising manager.

Appendix D-1
Classification Request Form

Type 1-Reclassification: For purposes of this agreement, "reclassification" shall mean the upgrading of a position to a higher existing classification as a result of the gradual increase of the duties being performed by the incumbent in that position. [Ed. Code Section 88001\(f\)](#). As used in Section XVII.2 of this Article, the reclassification procedure results in the movement of one or more member(s) from their current classification to a higher existing classification.

Type 3-Classification Study: As used in the Article, a Classification Study is used to revise job descriptions and range placements of an entire job classification or to establish a new job classification following the process as described in Article Section VII.C. and Section XVII.6.

Where such additional pay grades are established in the Salary Schedule for a job classification, these high value criteria shall be included in the job description as pay grade criteria for that position, and shall apply to all incumbents in that classification who meet the criteria.
