PETITION TO CHALLENGE COURSE PREREQUISITES/COREQUISITES

Paragraph 55201 of the State Education Code (<u>Policies for Prerequisites, Corequisites and Advisories on Recommended Preparation</u>) provides that a student may challenge any prerequisite or corequisite. This process <u>is not</u> a request to waive a prerequisite based on your placement in English or Math. It is the responsibility of the student to provide verification showing that grounds exist for a challenge. Petitions accompanied by insufficient documentation will be denied. If the challenge is upheld, the student will be permitted to enroll in the course in question. A decision will be made within three (3) working days from the receipt of this petition.

On a separate sheet of paper, please provide an explanation of the reasons for your petition. Provide transcripts, and course descriptions or other documentation to verify how you have acquired prerequisite/corequisite skills. If no documentation is submitted, it will result in a denial of this petition.

My challenge is based on the following: (Please check one)

2. I have the knowledge or ability equivalent to the prerequisite/corequisite in this course even through I have not met the established prerequisite/corequisite.
