

# Covid 19 Protocol

## Q&A

Q. What are the protocols for faculty when a student is not wearing a mask, or not wearing it correctly despite request?

**A. The faculty member should dismiss the student immediately to class and send the student to XX.**

Q. What is the process should be followed if a student gets sick?

- a. Are students required to report to the College if they get Covid?
- b. What are faculty responsibilities when a student in our class gets sick?
- c. What needs to happen for a student return to class? [Is a medical clearance required?
- d. If the class is face-to-face, what is the cleaning protocol? Will the instructor and classmates be required to quarantine?
- e. If students miss several weeks of class, how does this affect the policy regarding the maximum number of days they can be absent without being dropped or not receiving credit for the class?

Q. What if large numbers of our students get sick? How will we be able to support them?

Q. What should a faculty member do if a student comes to a face-to-face class with symptoms? Can we dismiss them from class and require a COVID test before re-entering?

Q. What do faculty do if we get sick (with Covid, or not with Covid?)

- a. Do we have enough substitutes to handle folks being off campus (for those who are sick, symptomatic, or have to quarantine)? Whose responsibility is it to ensure that classes are covered for sick faculty?
- b. If we can't come to campus because we are either Covid-positive and asymptomatic or do not have Covid but have similar symptoms and feel well enough to work remotely, can we work remotely? (If faculty are going to teach remotely who are not SPOT certified, even for a limited time this needs to be discussed with Senate, and has not as of yet.)
- c. Are we required to be cleared by a medical professional to return to work?
- d. Do we quarantine if someone in one of our classes gets sick? Do we tell the class?

Q. Is there going to be contact tracing? Who will be doing it, and how will we be informed if we have been in contact with someone who gets Covid?

- a. Will we be notified if someone has Covid in our class?

# Covid 19 Protocol

## Q&A

- b. How will contract tracing happen for students who use labs, the Library, food court, or centers if we are limiting who is informed of exposure?

Q. What are the cleaning protocols for spaces shared with students and faculty?

- a. What are the protocols if someone who is Covid positive has been in the space?
- b. If a room we are scheduled to teach in needs to be closed for 24 hours before cleaning who will inform faculty and students and how?
- c. Will notices be posted on the classroom doors?
- d. In what circumstances will we be required to quarantine?
