

MT. SAN ANTONIO COLLEGE

PRESIDENT'S OFFICE
909.274.4250

M E M O R A N D U M

Date: May 13, 2025

To: Faculty and Managers

From: Dr. Martha Garcia, President/CEO

Subject: **ACADEMIC PROCESSION AT COMMENCEMENT**
Friday, June 13, 2025

I am pleased to share the following information related to the College's 79th Commencement Ceremony at Hilmer Lodge Stadium:

Arrival: We encourage all faculty and managers to arrive early, as traffic can become congested. **Please arrive no later than 4:50 p.m. and be in line by 5:15 p.m.** Guest entrances open at 3:30 p.m.

Parking: Parking is available in Lots F and H, and the Gateway Parking Structure (closest to Temple). Shuttle buses will be running between Lot H and the security checkpoint on the west side of the Stadium (near the Gymnasium). Accessible parking is available in each of the three parking areas. There is no dedicated employee parking area.

Entrance: Faculty and staff will enter through the security checkpoints in Lot F (north end of the tunnel) or in front of the Gymnasium (just north of the tennis courts) and are subject to a security screening and bag inspection. A list of prohibited items can be found on the [Commencement Day](#) webpage. Proceed to Gate 8 after the security screening to check in and access the field. Water will be provided to all participants.

Attendance: Attendance at Commencement is mandatory for all full-time faculty. Faculty check-in details will be sent to you separately.

For the Commencement Academic Procession, we will gather at the faculty tent area, which is located south of the student tent. **We will begin marching into the Stadium at 5:30 p.m.**

1. Faculty marshals will be:

Tania Anders – President, Academic Senate
Raul Madrid – Co-Vice President, Academic Senate
Shelley Doonan – Co-Vice President, Academic Senate
Emily Woolery – President, Faculty Association

2. Based on seniority (see attached seniority list), the faculty procession will line up in two even lines. Please listen for instructions from the faculty marshals.
3. The faculty procession will be lined up in **two single-file lines** and will enter the Stadium under the scoreboard and then proceed to the left or right side, flanking the student seating area (along the track on both the home and visitor sides) while the student procession takes place. Students will be marching in, following the faculty.
4. Please maintain an arm's length spacing and march slowly. The single file lines will line up from the scoreboard to the first row of faculty seating. To ensure even distribution of faculty, please follow directions from event staff.
5. Following the student procession, faculty will continue processing and fill the faculty seating areas on both sides of the field. To ensure that there are plenty of seats for the faculty and managers attending, we request that you follow directions from the faculty leads pertaining to seating. **As you enter your seating area, PLEASE SIT DOWN to ensure that everyone has a seat and no seats are skipped. Once the Processional is completed, an announcement will be made from the stage for everyone to rise for the Pledge of Allegiance.**
6. Faculty decorum should be in conformity with the significance of the occasion.
7. There will be no formal recessional.
8. We will hold a reception immediately following Commencement in the Faculty lineup tent on the south side of the Scoreboard. I hope you will attend. Food and beverages will be provided by the President's Office.
9. Finally, if you rented a cap and gown from Herff Jones, please do not leave it at the Stadium. All rented caps and gowns need to be returned to the Bookstore (during regular business hours) upon your return to campus.
