Instructions for Faculty:

1. Enter your course information at the top.
2. For each SLO, copy the statement from your course outline.
3. Identify the Canvas assignment(s) or portion of an assignment that best measures the SLO.
4. Indicate if the assessment is a direct measure (e.g., test, project, performance, rubric) or indirect measure (e.g., survey, reflection, self-assessment).
5. Add any notes about rubrics, grading criteria, or benchmarks used.
