

How to complete the F-1 International Student Application:

1. Claim your Student Account.

- Go to the Mt. SAC "Student Account Claim" page: <https://www.mtsac.edu/claim>
- Select "New Student" and enter your assigned User Name. Click "Submit" to continue.
- Answer all questions with asterisk (*) based on your openCCC application. Click "Submit" to continue.
- Copy the Claim Code or write it down (case-sensitive). Click "Login" to continue.
- Enter your User Name and Claim Code for the password. Click "Login" to continue.
- Enter your User Name and create a new password. For future logins, you will use the password you create. Click "Submit" to continue.
- "Password change status" confirms your new password. Click to continue and log in to your portal.

The screenshots illustrate the steps for claiming a student account. Step 1 shows the 'Secure Access Login' page with a '1st Time Users (Claim Account)' link. Step 2 shows the 'Student Account Claim' page where a user name is entered. Step 3 shows the 'Student Account Claim' page with challenge questions. Step 4 shows the 'Account Claim' page with a claim code. Step 5 shows the 'Secure Access Login' page with the claim code used as a password. Step 6 shows the 'Password Expired!' page where a new password is created. Step 7 shows the 'Password change status' confirmation page.

1. Click "1st Time Users".

2. Insert your user name and submit.

3. Answer all asterisk (*) questions and submit.

4. Copy your claim code and login.
